The employees reported on H4 do not spend more than 25% of their time on federal election activity and therefore are not subject to 11 CFR 300.33(c)(2). The committee does not use any national party transfers to fund Federal Election Activity. The party utilizes a strict accounting method to ensure that national party transfers are being used only for permissible administrative and overhead expenses. This accounting method also guarantees that all Federal Election Activity is being funded by contributions raised under the limitations and prohibitions of the Federal Election Campaign Act, as amended. The committee maintains a separate Levin account which was established solely for the receipt of Levin funds for Federal Election Activity according to 11 CFR 300.30. The payments to individuals for office cleaning and computer consulting reported on H4 are not employees of the committee and therefore are not subject to 11 CFR 300.33(c)(2). The phrase Voter registration table in the purpose field on H6 is generic in nature and does not reference any federal candidate or any other Federal Election Activity. The individuals who maintain these tables are not employees of the committee and therefore not subject to 11 CFR 300.33(c)(2). The check from the Victory Darren White Fund JFC is the final distribution of the residual funds. All Donors have previously been itemized. To clarify the Refund/-Rebates on Schedule A, line 15, the amount from John McCain 2008, Inc. is for reimbursement of rent for shared office space with Victory 2008. The disbursement for rent was made 11-1-08 to Vista Balloon Commons Operating Association, LP. No disbursements on Line 21b and/or Line 30b were made on behalf of or against a clearly identified candidate for Federal office unless specifically noted. To clarify the reimbursement for electronic fax service, this was solely an internet service used in the office in lieu of purchasing a fax machine. To clarify the transfers to the Non-federal account, the funds reported on Schedule B supporting line 22 were not in any way used in connection with any federal election, or any federal candidate, or any activities that qualify as Federal Election Activity. Rather, these transferred funds were utilized solely in connection with state and non-federal candidates and activities. To clarify the payment for Voter registration table on Schedule H4, the only disbursement for voter registration table using funds allocated between Federal and Non-federal was made on 11-20-08 which is 16 days past the general election date and, therefore, not considered to be Federal Election Activity. This activity was strictly generic voter registration.
